- **Show Packages:** Please refer to the Package form within the Freeman Kit to secure package items
- Speakers and lights must be positioned to direct sound and light into the booth rather than into the aisle or other booths. Sound demonstrations and lights should remain at a reasonable level and not disrupt neighboring exhibitors. No powered microphones or bullhorns; if you would like to address a large number of people at once, please inquire about booking a panel room. Email: [paxsales@paxsite.com](mailto:paxsales@paxsite.com) If lights or speakers need to be moved or changed. This will be completed with the cost directed back to the exhibitor. Please be a friendly neighbor.
- **SHOW LIGHTING:** Lighting will be as dim as possible. If your booth requires ample lighting, please be sure to order and plan accordingly. All lighting will be adjusted onsite if you have any special needs contact Kristen Salierno onsite at 203-515-1145, we'll discuss what options we have.
- **NO 'BOOTH BABES' POLICY** Please refrain from having scantily clad booth personnel working your exhibition. The majority of our audience finds the notion of offensive, and we will ask anyone not dressed appropriately to leave the exhibition. Please contact [paxsales@paxsite.com](mailto:paxsales@paxsite.com) with any questions.
- All exposed parts of constructed displays must be finished to present an attractive appearance when viewed from the aisles or adjoining booths.
- Hazardous operations, including the use of flammable, explosive, or toxic materials as well as items that could present a hazard to attendees (e.g. knives, guns, weapons, etc.) are not permitted.
- Due to facility regulations, the following items are not permitted on the show floor, and we ask that you please refrain from handing these out as swag: stickers, adhesive backed decals, glitter, confetti, gum and helium balloons.
